*Happy 70<sup>th</sup> Birthday.*

*Production of the C1 Corvette commenced on 1<sup>st</sup> July 1953. Why is it on this cover? Because with a bit of luck, we'll have the Corvette Nationals here in Parkes in March 2025.*

**Invitation Runs**

Bedgerabong PA&H	Show and Shine	Sat August 19 <sup>th</sup>
Vintage M'cycle Club	Show Day Windsor	Sun 10 Sept

**MOVED** Barry Garment, Col Hawke That inwards correspondence be received and outwards endorsed. **CARRIED**

**TREASURERS REPORT**

**MOVED** Chris McQuie, Peter McQuie That the attached Treasurer's Report be adopted **CARRIED**

**Club Events Past****WED 14<sup>th</sup> JUNE JOHN PIZARRO TRIBUTE**

Phil expressed his thanks to the efforts of Scott and Kath Mann in pulling the tribute together, and to the Club members who were able to attend on the day

**SAT 17<sup>th</sup> JUNE MANILDRA MOVIES**

Trevor Reece was amongst the Club members attending and considered it well worth going.

**OTHER**

Bob Steel and Wes Westcott attended the Peak Hill Anniversary celebrations on June 10<sup>th</sup> where 3 venues put on displays for a worthwhile day out.

**Club Events Proposed****SAT JULY 15<sup>th</sup> FIRE MUSEUM**

A Working Bee will be held, commencing 8.30am, to commence cleaning up the site.

**SUN JULY 16<sup>th</sup> NARROMINE AIR MUSEUM**

Depart Henry Parkes Centre at 10.00am and travel direct to Narromine. Tour starts at 11.30am. Entry to the Air Museum is \$8.00 per head. Take a packed lunch or purchase in Narromine.

**SAT JULY 22<sup>nd</sup> GOLDEN OLDIES TRUCK VISIT**

Golden Oldies will arrive at HPC at about 9.00am for a tour of both the Centre (Greg Page and Motor Museum) and the Henry Parkes Museum (Historic Society). From about 11.00am a visit to Pres, Phil's collection with a Barbecue Lunch to follow.

**SAT 19<sup>th</sup> AUGUST TRUCK AND TRACTOR SHOW TRANGIE**

Some member intend travelling up Friday and camping on Friday and Saturday nights in caravans. More details at the August Meeting/

**SAT 19<sup>th</sup> AUGUST CAR SHOW BEDGERABONG**

Members to make individual travel arrangements.

**SUN 20<sup>th</sup> AUGUST SWAP MEET BATHURST**

Members to make individual travel arrangements.

**SAT 2<sup>nd</sup> SEPT MOTORFEST DUBBO**

Details at August Meeting

**MOVED** Ken Archer, Rex Veal That these be approved as Club Runs.

**CARRIED**

**GENERAL BUSINESS**

**FUTURE CLUB RUNS**

Joyce asked members to consider a weekend run to the Lithgow area, say visiting Zig Zag Railway on Saturday and other attractions in the Lithgow/Hartley area, with an overnight stay in Lithgow.

She also suggested

- Day trip to RFDS at Dubbo in about September,
- An overnight stay for Millthorpe Garden Ramble 4<sup>th</sup> and/or 5<sup>th</sup> November.
- A *Silo Art Tour*, which would probably require overnight stays for two nights or more
- A Camp Oven and Bonfire at Adavale Hall,
- A visit to the Moxey Dairy.

**FUND RAISER**

Because there will be no Swap Meet this year, Phil asked members to consider a means of raising the funds needed to (amongst other things) maintain the existing Motor Museum and develop the Fire Museum. Phil suggested the possibility of a mini “Cars and Coffee”, served from the Andronicus Chev at the old Fire Station, as a regular Saturday event.

**RAFFLE Donor** Arthur Parker      **Won By** Geoff Robinson **Next Donor** Terry Dunn

**MEETING CLOSED**      8.35pm

**NEXT MEETING**      Tues August 8<sup>th</sup>      At **HPC PARKES**      Commencing 7.30pm

**PAST EVENTS**

**SATURDAY JULY 15<sup>th</sup>**      **WORKING BEE FIRE MUSEUM**

The initial effort towards tidying up the old Fire Station and converting it into our vision of what a Fire Museum in Parkes should look like.

It’s been three years since the Station was occupied, and the lack of any of the routine tasks normally associated with occupation of a premises has left the site in a fairly untidy state. The efforts of a few enthusiastic members with a wide range of tidying up machinery and a couple of loads then transported westerly along Brolgan Road has resulted in the Eastern and Southern areas looking quite respectable.

Unfortunately, the cameraman couldn’t catch any of the action men in action, but look out when the next phases (inside the building) swing into gear!

SUNDAY JULY 16<sup>th</sup>

## CLUB RUN NARROMINE AVIATION MUSEUM

. Whilst the day's forecast for Parkes was for an unseasonably mild winter's day, reality set in about half way to Narromine, when the Robinsons were more than pleased that the new hood on the freshly restored "B" fitted well! 5 Historic and one modern vehicle transported members and a couple of friends to the Air Museum for an enlightening guided tour.

Narromine Air Museum only displays items with a direct connection with Narromine, at which flying started as early as 1919. Australia 's oldest regional aero club, which is still active, was formed there ten years later. Narromine was a training base during WWII, mainly using De Havilland Mosquitos. The personnel and ground equipment of No 93 Bristol Beaufighter Sqn were returned to Narromine after the Borneo campaign.

Pride of place in the Museum is a flyable replica of the 1907 Wright Flyer, constructed locally from reproductions of the original drawings.

Some of the templates and frames used to replicate the Flyer are on display in the Museum.

These are not only a fitting tribute to the craftsmanship of those involved in the replication project, but a worthy reminder that Museums are places of learning and reflection.

Whilst the Flyer can, and has been flown, later restrictions, and the value of the exhibit, now prevent this. In the background is a De Havilland Tiger Moth, the universal initial training craft for WWII RAAF pilots.

Not revealed until relatively recently was that a Mosquito Bomber from the Royal Air Force's top-secret 618 Squadron undertook flight suitability testing in Narromine in 1944. It was modified to carry a smaller version of Barnes Wallis' bouncing bomb (similar to that used in the Dam Busters raid). The intention was to use it against shipping in the Fjords, but this didn't eventuate, for reasons not stated.

An unofficial logo for 93 Beaufighter Squadron, "*Spookus Sneakimus*", is displayed in the Museum, and reflects one of the characteristics of the aircraft. Soldiers called Beaufighter the "whispering death" for its quiet engines. The Beaufighter's two 1600hp Hercules engines used sleeve valves.

These lacked the noisy valve gear common to poppet valve engines. This was most apparent in a reduced noise level at the front of the engine.

Narromine has had a close relationship with Qantas, and Museum guides are constantly reassuring visitors that the photo of a Super Constellation is untouched, and the craft actually landed at Narromine!

After the Museum visit, a leisurely lunch was enjoyed at Club Narromine.

# SATURDAY JULY 22<sup>nd</sup>      **GOLDEN OLDIES TRUCK CLUB VISIT**

About 20 Golden Oldies made the trip to Parkes in a wide range of vehicles.

Two Semis, three coaches and two tray tops.

Phil gave a quick run down on some of the features of the range of stuff in his collection.

Whilst Kevin, Terry and Col went to work on the vittles.

So that all could get down to the serious business of talking about all sorts of things, and disposing of the vittles in the “dining room” thoughtfully set out by Alison.

Golden Oldies will be conducting its bi-annual show next year (2024) and will be looking to feature buses and coaches.

Great blokes, Great day!

**SATURDAY AUGUST 19<sup>th</sup> TRUCK AND TRACTOR SHOW TRANGIE**

Forewarning about this event. If we are taking part as a Club group, we should have some idea about how many are likely to be attending at the coming meeting so that preliminary site arrangements can be sorted.

A couple of members are considering making a weekend of this, and are taking caravans in which to stay on Friday and Saturday nights. The Club has approved vehicle use the extra day either side of the event

**SUNDAY AUGUST 20<sup>th</sup> SWAP MEET BATHURST**

Same considerations as for Trangie Truck and Tractor Show, including vehicle use on the preceding and succeeding days.

**TUES & WED AUGUST 29<sup>th</sup> -30<sup>th</sup> PARKES SHOW**

Parkes Show is on us at the end of this month. If we intend to put on a themed display, we need to get the concept sorted at this meeting. On past occasions, we've received an award for what we've done at the Show, so let's see if we can do it again!

We will have our traditional task of providing open vehicles on Tuesday afternoon for a Parade of Honour for Parkes Young Woman of 2023/24 and entrants in that and similar features. This year we may need to transport up to 8 people!

**AND BEYOND THAT?**

At the July meeting, a number expressed interest in a trip to the Lithgow Zig Zag Railway. Such a trip would involve an overnight stay and could include visit/s to other sites such as the Small Arms Museum and attractions in the Hartley or Mt Victoria Areas.

The Zig Zag operates on alternate weekends, is booked out until 27<sup>th</sup> August and filling fast until 7<sup>th</sup> October. At time of publication there is plenty of space on October 8<sup>th</sup> and 22<sup>nd</sup> (Sundays), and November 4<sup>th</sup> and 5<sup>th</sup>.

Concession fares for the Zig Zag are \$27.50, an overnight stay would be about \$160, and to add in meals and other site visits, cost for the weekend would be upwards of \$300 per couple.

To arrange such a trip will involve prior booking and individual deposits.

***Please think about your willingness to take part in such a trip, as a firm decision (with a list of names) needs to be made at the coming meeting so that bookings can be made.***

The Events Committee is also looking at a number of potential activities for the near future.

Possibilities include:

- Day trip to RFDS at Dubbo,
- An overnight stay for Millthorpe Garden Ramble 4<sup>th</sup> and/or 5<sup>th</sup> November.
- A *Silo Art Tour*, which would probably require overnight stays for two nights or more.
- A Camp Oven and Bonfire at Adavale Hall, most likely in early 2024,
- A visit to the Moxey Dairy.

**FALCON 4WD CLUB**

The Falcon 4WD Club was sufficiently happy with what happened here a few weeks ago that they're coming back!

They are proposing a return to Parkes at Easter 2024, so that means the public of Parkes will be treated to an increasing feat of great motor vehicle over that period!

*There is nothing like a DAIM!*  
(With apologies to Rodgers and Hammerstein)

At the Wagga Wagga CHMC Annual Rally there were a couple of interesting Daimlers.

At left is a **1912 Daimler CC Bus.**

This is one of five buses imported by the Melbourne Motor Omnibus Co Ltd and was in service until 1920. It is one of the few remaining Daimler CC buses in the world.

Restoration of the vehicle was carried out by Nixons Engineering in Wagga Wagga.

Below is a **1933 18hp Daimler 15.**

This was the first Daimler produced with an engine featuring poppet valves. Until then, all Daimler motors featured sleeve valves. The 15 had a 6-cylinder 1.8-litre engine adapted from the 4 cylinder Lanchester motor; and Daimler fluid flywheel with Wilson preselector transmission.

Quality craftsmanship is evident, not only in the fluted radiator shell, but the lamp brackets
