General Business: Lindsay Smith spoke on the club Presidents Run to be held on the 19th, 20th October 2024. –

President's Run 2024

As mentioned at the last meeting and in the magazine, the President's Run is set down for the weekend of the 19th and 20th of October. It will start in Ballina and go via Lismore to Nimbin, morning tea in Uki and lunch at the Riverside Hotel in Murwillumbah.

After lunch, a visit to the Natural Bridge includes a short walk to the spectacular scenery and then on to Boonah Valley Motel for overnight accommodation. They have a restaurant which is open on Saturdays and I will get a menu to see what their food and prices are like beforehand. I have tentatively booked 8 rooms based on hands at the last meeting and they will be held for two weeks from today (so until the 19th) and members wanting to go can ring and book on (07)5463 4738. Make sure you tell them it is for the Ballina Car Club and get the better price which is \$180 for a double.

Sunday is into Ipswich for a visit to the Railway Museum which looks pretty well set up. I will try to arrange lunch to meet up with the local Veteran and Vintage Car Club and possibly the local Historic Motorcycle Club. After lunch a visit to the Animal Hospital and Nerima Gardens is on the itinerary before returning home down the freeway.

Discussion took place by Santo and Russell about the importance of club members filling positions in the club to ensure the ongoing success of the club.

Lindsay advised of the Melaney swap meet on the 9th March and the Ormiston swap meet on the 24th March.

Cedric Wilson won the lucky door prize.

Meeting closed 7.45pm
