## President's Report

### September '24

Our August monthly meeting at the Workers Sports Club was a little rushed to try to assist Club staff to have our post meeting "coffee & cake" served by 8.00 pm to allow them finish on time. Despite our best endeavours this didn't happen. **By mutual agreement we have arranged for those wishing to stay after the meeting to pre order and pay for your order before the meeting. The coffee will be in take a way cups & delivered with your cake to our meeting room by 8pm.** I suggest noting your order details to avoid confusion when delivered.

Secretary Julie has provided a list of names of people able to assist in the partial restoration of David Gordon's MG B. The extent of work is yet to be determined but will be governed by achieving the best financial benefit for Fiona. This won't be a "club project" but individuals who may be members of our club helping in whatever capacity they can. Thank you to those who have offered to help.

Our club had the opportunity to visit an exceptional car collection in Casino mid-August. The vehicles, predominately Holden's in pristine condition, were displayed in glass, humidity controlled showrooms inside a warehouse. The collection ranged from the first FX series to some of the last produced by GMH in Australia. Our host Paul Connolly and wife Allie also had an impressive collection of auto memorabilia including a plywood caravan he restored. Paul obviously enjoyed a very successful business career that provided him with the opportunity to pursue his passion. Paul and Allie joined us for lunch at the Charcoal Inn Hotel after our visit which was arranged by Ray Lovett. Ray has set the bar very high and will find it hard to organise a better outing if he chooses to do so. Well done Ray.

Our mid-week Coffee run this month took us to Crystal Creek Café North West of Murwillumbah. A small group left Lismore in poor weather conditions and a variation to our planned route to avoid possible road closures caused minor confusion for some people that were to join us on route. Heavy rain evidently caused my GPS to malfunction going through Murwillumbah and we had a few incorrect turns along the way. I still believe my navigation skills are fine! Despite this we arrived but somewhat late. We enjoyed good coffee and cake and the usual good company. Thank you to Gayl & David for another pleasant outing!

Bob Sweeney.

## RECENT OUTINGS

### CLUB RUN TO WOODBURN & CASINO—SUNDAY 11th AUGUST 2024

An excellent turn out of enthusiastic members headed to Woodburn for morning tea by the river, then on to Casino via Coraki.

Ray Lovett had arranged for us to view the incredible collection of cars, memorabilia and more owned by Paul & Allie Connolly. An absolute treat to see such an an immaculately presented collection, and to hear their stories.

We then adjourned to the Charcoal Inn for lunch and more conversation. A good day—thanks Ray

**Morning tea by the river at Woodburn**

## **COFFEE RUN TO CRYSTAL CREEK—Wednesday 14th AUGUST 2024**

Fewer brave souls headed out on this run in heavy rain. The drive via Burringbar Range was mostly enjoyable despite adverse conditions and we arrived to a warm welcome at Crystal Creek Rainforest cafe, with a roaring fire, tasty treats and delicious coffee. Thank you Gayl & David for organising a lovely outing.

## A CAR BIOGRAPHY GT FALCON LICENCE 70386H

My early days are a little vague, I was built in 1969 with a 351 Windsor motor, spending a number of years in Western NSW.

In the mid 1980s I changed owners and moved to Queensland's Sunshine Coast. During that time a few changes were made:

1. A change of colour from Diamond White to Vintage Burgundy
2. A change of gearbox from Automatic to manual.
3. Some internal modifications to the motor.

In 2000, I was again put up for sale at a used car yard in Strathpine. My current owner happened to spot me by chance and could not resist the temptation to make enquiries. The salesman and my soon to be new owner had differing opinions as to whether I was genuine or a replica. When that was settled my new home became the Northern Rivers.

Shortly after moving to my new home, I had an unfortunate experience. I was on my way to a show and shine at the Lismore airport on a wet and foggy Saturday morning when I came up behind a slow moving vehicle. My new owner attempted to overtake this vehicle on a slight corner and got his ambitions and his capabilities confused. This resulted in me facing in the opposite direction in a ditch covered in red mud. Needless to say, I had to return home to be hosed down before attending the show. Over the years I have been to countless car shows with the club.

Over a period of time and only doing low mileage, my tyres became very hard and dangerous on wet roads. My owner decided they needed to be replaced, but would try to wear them out first. I was entered in the "Drags" at Casino.

The tyres had very little grip and as a consequence I won hardly any races. However, the crowd enjoyed the spectacle as I was able to smoke the tyres the full length of the track. The tyres were still not worn out, but were replaced for safety reasons.

These days I spend most of my time in the garage. although it is good to get out on the highway and mix it with the modern computerised machines. I still have what it takes after 55 years, to keep up with and beat many.

I am very doubtful that I will change ownership again and feel that I will be with my current owner until his demise.

Thanks to Lynda Lovett and Bob Sweeney for these funnies
