Editor: Janine has been looking at getting the cost of our great magazine down. She has quotes from a few, but still prefers to support our local family owned Copy That in Ballina. They have looked after us well in the past, we will stay with the quality and be sure to stick to 20 pages and reduce from 4 editions per year to 3. Justin Wicker will advertise our back page for a \$100 payment made directly to the printer and receive his inv, not thru the club. **B-Line** we will keep their small advert continuing because they are good to us. We are seeking more advertising to contribute to reducing the cost of the mag, please let us know.

General Business:

Peter Madigan is new to town, he is an Instrument Refurbisher and brings with him a massive technical skill set, I have sent you an email I recommend you read his offering.

Russel Kelly had a Fire in the engine of his classic car, insured with Shannons for 20 years, they moved the car several times over the month of Jan and nothing got done with it. Eventually he called Gold Coast Restorations who deal with Classics and muscle cars. Everything was fine after that. Shannons have been bought by Suncorp and they do not look after us properly, so take the matter into your own hands & arrange where you want it to go.

Last Sunday Byron Bay Farm started up their Cars and Coffee at the Farm its early 7-8am all over by 9am. First Sunday of every month. We could make it a future run?? Lots of cars there.

Webmaster Report: Not present.

Meeting Closed 7.50pm
