13. Events Report

On Sunday 18th September, 10 people braved the inclement weather and ventured to Mooball to have a coffee at the Mooball Roadhouse and look at the collectables there. There were a few old motorbikes and bits and bobs - an odd, but interesting assortment of old items. The coffee was good and most of us ended up having an early lunch as well.

Bruce Key drove his Eureka – sporting a nice new motor, and David Felsch also brought his Reek. The day was not marred by Bruce's dud battery as there were plenty of muscles on hand to give him a push on more than one occasion. Thanks to Russell Kelly for driving us to Supercheap to get a new one.

It was an enjoyable morning, lots of talking about cars I expect, by the men, and lots of happy chattering amongst the women – not about cars! Beth McNamara won the card game and took home a loot bag of toffees.

Looking forward to the next run – hopefully the weather will be better and we can attract a few more participants.

Liz
