 - Club Shirts available
 - It was decided though lack of attendance to postpone the AGM till the August meeting. Forms will be sent calling for nominations for positions. There will be a discussion about member club participation. Whether we increase compulsory attendance for runs and meetings. This is not a club for cheap rego, if you have joined the club just to get cheap rego then we don't need you. If we don't get more people to take up positions in helping to run the club then we will consider winding up the club.
