PRESIDENT'S REPORT

I hope everyone enjoyed the festive season and is ready for a busy club year. We certainly ended last year on a high with our huge and enjoyable Christmas Party and Car Display. Thanks, Barbara, for all the hard work you put in to making it such a great success.

As this is my last report as President, I wish to thank you all for your support throughout my term. Both outings and meetings have had great attendances and our club flourishes; a credit to each and every member.

My sincere appreciation goes out to Sue and Barry who did so much for us all but particularly for me, Bryan for his calm advice and help and to our fabulous events committee, Jeff, Terry and Ken who keep coming up with fantastic events and venues. Fiona and Shirley continue to produce an excellent and very important newsletter and Jason who quietly keeps us all legal with proper registration. Finally I acknowledge our Public Officer Robert who makes his special contribution year after year. What a team. My thanks to each of you.

As the new year begins, we already have a number of events lined up in which to participate. Let's keep involved, interested, enthusiastic and make 2019 our best year yet.

CLUB WEEKEND - FENWICK MEMORIAL ROVE TO YAMBA, 16TH – 17TH MARCH 2019,
TOGETHER WITH ROVER CAR CLUB QLD.

Hi everyone,

Just a few details of the weekend club run to Yamba in March.

The final program has now been worked out and we thank Geoff & Sue Kearns from the Rover Club for efforts in bringing this weekend event together.

I suggest club members interested in attending the weekend book accommodation ASAP.

There are some accommodation suggestions below or you may seek out any number of alternatives in Yamba.

Saturday 16th March:-

Meet at John Crowther Car Park, Cnr Dawson & Woodlark Sts Lismore at 1.15pm for 1.30pm departure. Alternative: Join at Woodburn before 2pm and travel in convoy to Yamba.

Arrive approx 3pm for afternoon tea at the home of Geoff & Sue Kearns where we will view their cars.

Their address is 14 Citrus Cl., James Creek, off James Creek Rd, turn right off Yamba Rd just over the Bridge. After afternoon tea drive to Yamba and check into accommodation.

Dinner will be at the Yamba Shores Tavern, 84 The Main Brace Yamba at 6.30pm (great outlook onto the river). Need to drive (about 3-5 minutes - or get the courtesy bus). Denise to present trophies.

Sunday 17th March:-

Check out of accommodation and we will meet up at a pre-arranged place in Yamba for a morning drive. We will leave Yamba at 9am for a tour of the Clarence River and Geoff will make up a map for everyone. *(Anyone interested in attending on Sunday only welcome to join morning drive at Maclean)*

We will drive through Maclean, cross onto Woodford Island and continue to Lawrence via a river ferry. From there we head up-river to Ulmarra (via another river ferry).

Morning tea (great coffee and cake) on the riverbank at the Ulmarra Hotel. There are also some craft shops and galleries in Ulmarra, which is marketed as an example of a 19th century river port.

Drive back to Yamba (only around 40 minutes) where we can have lunch at the Pacific Hotel (great views of the ocean). However, there would also be the option of missing lunch and heading home for those who want to!!

The vehicle was maintained at Bakers Corner Garage by Ces and his son Brad Baker but it also spent much of its life stored in a farm shed on Ces' Tatham property. Here rats nested in various cavities and did damage to upholstery, fittings and wirings. In 2011 the gearbox appears to have been rebuilt by Ian Wilkes, Gearbox Repair Specialist of Alstonville. The clutch also appears to have been replaced in 2011 by Wrights Clutch Service of South Lismore. At some stage Ces had fitted new carpets.

In June 2013 the vehicle was purchased from Ces Baker by Bruce Robinson for \$6000. It was known to have rat damage to wiring and seats, rust in the doors and sills and to not be road-worthy. The registration was transferred to Bruce Robinson on the basis that the rust in doors and sills would immediately be repaired. This was done in July of 2013 in North Lismore at a cost of approximately \$1,000.00.

In the period since mid-2013 the vehicle has been serviced regularly by Bakers Corner, driven on short trips locally and to Ballina and Wardell, driven regularly each Sunday to Kyogle and back. The following improvements and upgrades have taken place:-

1. New 2 x 6v batteries
2. Complete rebuild and tuning of twin SU carbys by 'Zac's Carbies' of Wollongbar
3. Repair of all rust in doors and sills
4. Rustproofing of floors
5. Replace Perspex windows in hood
6. Re-sewing of hood
7. Rebuild front suspension (king pins etc) with new spring on off-side
8. Re-upholster seats including new rubber webbing
9. New coil/distributor cap/rotor
10. Repairs to all electrical wiring harnesses
11. New exhaust system
12. New window rubbers on doors
13. New hydraulic reservoirs and overhaul clutch & brake hydraulic systems
14. New 'turn' indicator assembly and plastic housing

Odometer reads 19145 but has probably rolled over at least once. All original gauges working correctly – oil pressure, temperature, alternator charge, fuel level. Tachometer over-reads. Speedometer (mph) reads correctly.

Documents – workshop manual, "MG" by Ian Penberthy, various historical documents.

Price \$13,000.00. Reasonable offers considered

Vehicle History

This MGB was originally purchased new by MRS J Sander of 1/490 Toorak Rd, Toorak in Melbourne, Victoria in January 1967. It was insured for \$2700.00 and had registration number Victoria JXB-423.

It's further Victorian history is unknown except that it appears to have been regularly serviced and by 1998 it was owned by Ms Robin Christine Hall of 5 Max Court, Noble Park, Victoria 3174. Ms Hall sold the car to Ces Baker of Bakers Corner Garage, 111 Terania St, North Lismore 2480 on 17th May 1998 for \$10,000.

When Ces attempted to register the car in NSW questions arose regarding its VIN of 5005. The correctness of this number was confirmed by the NSW Police in early 1999. The vehicle has retained normal NSW registration since that date.
