## FIRST PRESIDENTS REPORT – SUMMERLAND SPORTS AND CLASSIC CAR CLUB

Firstly, let me say how honoured I am to have been elected as President of the Summerland Sports and Classic Car Club. As I am a “relatively” new member of the club perhaps a brief resume would be in order. I think members may know what Robyn and I look like given that we have been rather “over-exposed” in the last couple of Accelerations!

Born in Bendigo, Victoria in 1945. Completed my education in Melbourne and qualified as an Accountant. Married Robyn in 1967 and we have 3 children and 4 grand children. Our daughter Jessie is a nurse at Lismore Base Hospital, the boys live in Sydney and the Sunshine Coast.

I worked for Mount Isa Mines for 10 years, 5 years in Mount Isa and 5 in Brisbane before returning to Melbourne where I worked for 2 years with Western Mining Corporation before joining Shell Australia as Group Taxation Manager and then Group Treasurer.

Then seconded to Shell International for 2 years! But that became 5 years in the Philippines as Finance Director and Deputy CEO, then 5 years in London as Head of Finance for Southern Africa and Latin America and finally 7 years in Chile as Executive President and CEO of Shell Chile (including Peru, Ecuador and Bolivia).

“Retired” in 1999 and we now farm macadamia nuts and cattle at Tuckombil. I was a Director of the Australian Macadamia Society from 2003 to 2007.

Classic cars have always been a great interest. My first “restoration” was a 1935 Austin 7 Ruby in Mount Isa, subsequently sold to buy a horse (that is HORSE not HOUSE!).

Next was an MGA, then an Alfa 1750 GTV. Children and career then intervened and it wasn’t until we were living in London that I acquired our first Jaguar, an XJ S. A great car, but it would just stop in the most inconvenient places!

When in Chile my company car was a Jaguar XJ R, fabulous car. In my spare time I restored a 1937 Mercedes Benz Va and 1951 Benz Ponton, but sold both before returning to Australia.

Our first few years back in Australia were totally devoted to building our house and establishing the farm at Tuckombil. But then I came across an advertisement for an E Type! More to come on the Australian cars in subsequent reports.

Robyn and I look forward to the coming 2 years and hope that we can maintain, if not build on the fantastic work of the Club's great committee led by David Besson and before him Bryan White (and many others of course). The Bar has been set very high.

Looking forward to seeing many of you in the coming weeks and months.

David Hughes

### **“YEARS OF MEMBERSHIP”**

Members wishing to add the year that they joined the Club to their existing “current style” Club badge may do so by taking the badge to:- Lismore Trophies

125 Union St , SOUTH LISMORE

Lismore Trophies will provide small “stick-on” strip showing “JOINED xxxx” for a small cost. If you would like to see what this addition looks like, Bryan White has had his badge “modified” Lismore Trophies can provide a badge with the “JOINED xxxx” engraved as the remainder of the badge, for new Members and for existing Members if they choose to replace the badge that they have.

---

### **ATTENDANCE RECORDS**

Members are reminded that is your responsibility to record your attendance at Club events and meetings, on the ‘Attendance Record’ circulated at the events and meetings.

‘Event organisers’ will no longer be responsible for recording your attendance.

This is particularly important if your vehicle is on ‘Club Plates’

**CLUB WEEKEND - FENWICK MEMORIAL ROVE TO YAMBA, 16TH – 17TH MARCH 2019,**  
**TOGETHER WITH ROVER CAR CLUB QLD.**

Hi everyone,

Just a few details of the weekend club run to Yamba in March.

The final program has now been worked out and we thank Geoff & Sue Kearns from the Rover Club for efforts in bringing this weekend event together.

I suggest club members interested in attending the weekend book accommodation ASAP.

There are some accommodation suggestions below or you may seek out any number of alternatives in Yamba.

**Saturday 16th March:-**

Meet at John Crowther Car Park, Cnr Dawson & Woodlark Sts Lismore at 1.15pm for 1.30pm departure. Alternative: Join at Woodburn before 2pm and travel in convoy to Yamba.

Arrive approx 3pm for afternoon tea at the home of Geoff & Sue Kearns where we will view their cars. Their address is 14 Citrus Cl., James Creek, off James Creek Rd, turn right off Yamba Rd just over the Bridge. After afternoon tea drive to Yamba and check into accommodation.

Dinner will be at the Yamba Shores Tavern, 84 The Main Brace Yamba at 6.30pm (great outlook onto the river). Need to drive (about 3-5 minutes - or get the courtesy bus). Denise to present trophies.

**Sunday 17th March:-**

Check out of accommodation and we will meet up at a pre-arranged place in Yamba for a morning drive. We will leave Yamba at 9am for a tour of the Clarence River and Geoff will make up a map for everyone. *(Anyone interested in attending on Sunday only welcome to join morning drive at Maclean)* We will drive through Maclean, cross onto Woodford Island and continue to Lawrence via a river ferry. From there we head up-river to Ulmarra (via another river ferry).

Morning tea (great coffee and cake) on the riverbank at the Ulmarra Hotel. There are also some craft shops and galleries in Ulmarra, which is marketed as an example of a 19th century river port.

Drive back to Yamba (only around 40 minutes) where we can have lunch at the Pacific Hotel (great views of the ocean). However, there would also be the option of missing lunch and heading home for those who want to!!

# RECENT OUTINGS

## 13TH FEBRUARY 2019 –WEDNESDAY COFFEE RUN TO BRUNSWICK HEADS

We left Chemist Warehouse with a trigger for a hot day. Two short road works with no added water saved the day. 2 or 3 Vehicles detoured?

The venue was quite cool with a nice sea breeze. 26 members attended. An enjoyable drive and morning. Discovered? 2 men need a meeting with SpecSavers as they couldn't see a couple of healthy young ladies with rosy cheeks. Good Luck Bryan and George

We were very fortunate to be gifted with the next recipients of the Pepper Grinder just before some of us left. Ken

The largest privately-owned classic car collection ever to be auctioned in the southern hemisphere is here.

Gosford Classic Cars was born out of a passion for the artistry of automobiles and has showcased hundreds of pristine vehicles over many years, sourced from Australia, the Soviet Union and Eastern Europe.

Lloyds are honoured to be auctioning this prestigious collection that will have over 150 vehicles go under the hammer at Gosford Classic Car Museum's enormous facilities on the 6th and 7th April 2019.

Although the Gosford Classic Car Museum attracted in excess of 10,000 monthly visitors to the collection, irreconcilable differences with the tax office meant the museum was "left with no alternative but to close its doors".

Former Formula One World Champion and Auction Ambassador, Alan Jones has a great passion for European classics and is one of this collection's biggest fans. "This collection is one never to be forgotten, it is extremely special and admired by many collectors and enthusiasts across the globe, including myself".

This is a rare opportunity to see this magnificent collection of classics by iconic names such as Ferrari, Lamborghini, Aston Martin, Bentley, Maserati, Porsche, Rolls Royce, Land Rover, Chrysler, Holden and Ford.

**THE BATHURST 12 HOUR AND WHAT HAPPENED IN OBERON.....?**

A small group of our Club Members recently drove to Bathurst to enjoy the 12 hour endurance race and had a great time, staying in nearby Oberon. There have been a few obscure mentions of "what happened in Oberon stays in Oberon"; suffice to say that it may be that a licence will be required in future to operate a toaster?
