In recent times we have been involved in various presentations, meetings and conferences. Sharon and I attended the launch of Yellow Ribbon week at the Opera House. Great to meet up with both the new Ministers for Transport in the NSW Government, The Hon. Andrew Constance MP, Minister for Transport and The Hon. Paul Toole MP, Minister for Regional Transport.

Both spoke well in the presentation for the Yellow Ribbon event—they seem fairly passionate about trying their best to slow down traffic trauma.

Moves for Transport for NSW to get to zero road deaths is a difficult proposition but things are headed in the right direction. Road deaths per capita are well below the levels of the bad old days in the 70s. No such things as ABS, airbags and many other innovations back 40 years ago. Vehicle safety and roads have improved out of sight since then but driver attitudes need to come a long way yet. Big issue is the use of mobile devices when driving. Why do people do such things when hands free stuff is freely available? People actually text on their phones when driving, the Police report. What sort of mentality is that folks ?? They actually class it as an addiction.

Minister Toole accepted my invitation to attend Shannons Sydney Classic (SSC) on Sunday 18th August. We look forward to hosting him and showing him the extent of our movement.

Most interesting to us all is the fact that a full review of both HVS and CVS is underway within RMS. We attended a meeting at RMS Parramatta where ACMC had six representatives and CHMC (Bush Council) also had six. Many subjects were covered on the day and further meetings are planned. No great plans to make any major changes to either scheme as far as we heard.

A major concern is the somewhat unruly ways that any old club can apply to join the RMS Approved list for HVS. No proper checks are in place. In some other states, clubs MUST be a member of their state council such as the CMC or ACMC but not in NSW for some reason not fully explained. Reason for the change to original forms for HVS and CVS was explained as some people keeping last year's Declaration Form and using a copy to re-register. Not bothering to stay in their club and not asking for the club's stamp each year. Illegal in both cases. Always problem people trying to rort the system and foul it up for all of us.

Also involved in organizing a group of our club members to join in focus groups to talk through the logbook trial with a view to making it permanent by October this year. A great group of delegates at the most recent CMC General Meeting came forward and volunteered. Many thanks to those folks for your help and commitment. Main message we need to get across is that the vast majority of our members love the logbook scheme and want it to continue. A better quality version of the logbook would be good as the piece of A4 paper is not a good look. Particularly for motorcycle riders. Where do you store it on a wet day?

I look forward to catching up with as many of you as possible at SSC on August 17 and 18. If you have some time to volunteer on the Saturday to help us set up that would be appreciated. Folks to guide the incoming vehicles into their positions on Sunday morning are also in great demand. Just an hour or so of your time would make a fantastic difference to us. Please come down to the CMC garages 49 and 50 on the day to talk with all of the CMC Committee on hand.

IMPORTANT NOTICE

At registration renewal time you must follow the process of filling in the left side of an **RMS #1835 Classic Vehicle Declaration form**, have your Club Registrar apply the Primary Club stamp to the lower right hand box then post to the address below, with a copy of the Pink Slip and the \$25 administration fee. The form must be an original as per instructions from RMS. See dot point 1 at the top of the form. The fee is \$30 if you are using post as we are insisting on Express Post return at \$5 extra which is less than the cost of such envelopes, but we are subsidizing it trying to overcome a rash of lost mail. It gives us a trace on the mail and gets swift delivery. Multiple CVS in the one envelope will be just one \$5 fee, not \$5 each one.

You can: **Pay by cheque or Money Order** made out to **ACMC** and post the lot to PO Box 419 Bexley, NSW 2207.

OR

EFT funds to:
Bendigo Bank, Bexley Branch
A/C Name: ACMC NSW Ltd
BSB: 633-108
Acct Number: 157374299

Please ensure your EFT payment is adequately identified by using your Surname.

FOR CLUB REGISTRARS

HOW TO HANDLE CLASSIC VEHICLE SCHEME (CVS) APPLICATIONS

The Applicant should fill in sections 1 and 2 of the Classic Vehicle Declaration (RMS #1835).

Please do not fill in or sign Section 3 of that form. This is for the ACMC to fill in and sign as we are the Approved Organization and the Authorized Person.

The Primary club (i.e. your club) should simply stamp the lower right-hand box to signify that the applicant is a bona fide member of your Club and his or her vehicle is acceptable to your Club.

Without that stamp we will not process the application. The stamp should be legible for all to read as RMS are very strict on such things.

RMS insist that to start off CVS an AUVIS or Blue Slip must be obtained for the vehicle no matter what rego it is currently on. Not our rule, it comes from RMS. Not all AIS can do these.

If any of your fellow Club Members wish to register their vehicles on the CVS would you please ask them **NOT to send us the original Blue Slip.** A photocopy is sufficient. If they go astray in the mail they would need to go through the whole process and cost of obtaining one again. Note also that they only last for 42 days so it requires prompt use of them.

All we need is the Classic Vehicle Declaration, a copy of the Blue Slip and a cheque, money order, or EFT receipt when they send these documents by post to ACMC PO Box 419 Bexley 2207.

The fee is \$25 for the processing and we now ask for an extra \$5 to cover Express Post return as there has been a spate of lost mail and the Express system gives us a number to trace the item plus a guarantee of next day delivery in most cases. **So the total payable is \$30.** Multiple CVS in the one envelope will only incur a \$5 fee for the post so \$25 a car plus \$5.

Please then follow the payment details on the previous page for either cheque/money order or EFT.

FROM THE EDITOR'S DESK

Welcome to another edition of The Preserve. I've been practising at this for twelve months or so now, following the sad passing of Julie Williams. We all miss her so much—she really was a "Jill of all trades". But we've got to keep the CMC wheels turning, so I guess it's time to assume the title of Editor, but I need your help!!

Please send me your stories, club runs, any items that will be of interest to the CMC family. Occasionally I might "pinch" something out of your Club Magazine. You can also advertise in The Preserve—you'll find our advertising rates very competitive—see page (9) in this issue.

I look forward to bringing you news from the CMC in the future—meantime enjoy this June edition.

The Sydney Bus Museum has been given a unique opportunity to purchase fully rebuilt Albion Double Decker 1921 to add to its collection of Sydney double deckers.

To offset the purchase cost, the Sydney Bus Museum is seeking donations from interested members and the community. Help us save this superb vehicle, reunite her with her sisters at the Sydney Bus Museum and return her to Sydney's roads.

SYDNEY ANTIQUE MACHINERY CLUB INC.

40A Racecourse Road, Clarendon, NSW 2756

ABN: 83 626 540 927

Invitation to 2019 "Clarendon Classic" Rally

The Sydney Antique Machinery Club extends an invitation to members of your club to display at our annual "Clarendon Classic" Rally on 21st and 22nd September. The event is being held at the Hawkesbury Showground, Racecourse Road, Clarendon, opposite the Richmond RAAF Base. Setup is on Friday 20th.

The event will feature all kinds of antique and vintage machinery including stationary engines, tractors, trucks, cars, motorcycles, boats, steam power, and model and hobby displays. We are again co-hosting the "Kenworth Klassic" truck display of historic and working Kenworth trucks.

This year's themes are "FIAT" and "Machinery Over 100 Years Old", but of course all exhibits are most welcome. Exhibitors are welcome from all clubs and registration is compulsory, when proof of insurance is required. SAMCI can, however, accept uninsured exhibitors for a fee of \$15 for the event.

There is a welcome BBQ for exhibitors on the Friday night, cost \$5.00 per person. A dinner will be held on the Saturday night in the adjacent Club Grounds (cost \$25.00 per person, children \$10.00), with numbers limited and pre-booking essential. See the Registration and Booking form on our website, which you are encouraged to complete and send in beforehand.

Onsite camping is available for exhibitors, with a charge of \$10.00 per night for powered sites for the Friday, Saturday and Sunday nights. There is onsite security for the protection of yourselves and your treasures. Please note: the Showground is an alcohol free area and open fires are totally banned. Dogs are permitted on leashes only.

Traders are welcome, with registration in advance mandatory for planning of space. See our website for the traders' terms and conditions and registration form. As in the last two years, the Lachlan Valley Railway (LVR) will be running train rides on the Richmond Line on both days of our rally, and pre-booking may be done via their website as the date approaches.

Double decker buses will link our rally with Richmond Railway Station.

We look forward to your participation in our rally, contributing to making it of greater interest to the viewing public. We do ask, however, if you are not attending both days, let us know when you will be attending so we can allocate sufficient space for your displays.

Please feel free to contact our Event Organizer, Steve Muscat, on 0418 453 203 for additional information, or visit our website: www.sydneyantiquemachineryclub.com.

VALE DAVID RUBIE

It is with a heavy heart that we report the passing of David Rubie – the immediate past President of the Sunbeam Owners Club of NSW. David was a valued and much loved member of our club for many years. His wisdom and sense of humour made him a real pleasure to be around.

David's contribution to our Club was considerable, serving as past President and as our Club's delegate with the Council of Motor Clubs (CMC) for many years. His experience was invaluable in the governance of the Sunbeam Owners Club of NSW and helped it revitalise its committee and attract new members to the Club & assist in staging a National Rally in 2016.

David had so many cars on club plates including his sparkling white original 1964 Series IV Alpine, together with two bug-eye Sprites, a Renault Caravelle, a Volvo P1800 and a lovely Austin Healey 3000. He was at times joined on various car club events by sons Philip, Christophe and daughter, Magali.

David also introduced us to the Pittwater Motor Enthusiasts Association which hosted the Unique Motor Display at the Royal Motor Yacht Club, Newport, where we met fellow classic car enthusiast and PMEA member, Diana Newton whose company we enjoyed on many of our own club runs.

Our extend our condolences to the Rubie family and David's many car club friends. I know David will be sadly missed by all who knew him.

David Petrikas, President, Sunbeam Owners Club of NSW

JUST FOR A LAUGH

5 OLDER LADIES

Sitting on the side of the highway waiting to catch speeding drivers, a Police Officer sees a car puttering along at 22 KPH. Says he to himself: "This driver is just as dangerous as a speeder!"

So he turns on his lights and pulls the driver over. Approaching the car, he notices that there are five old ladies, two in the front seat and three in the back...wide eyed and white as ghosts.

The driver, obviously confused, says to him "Officer, I don't understand, I was doing exactly the speed limit! What seems to be the problem?"

"Ma'am," the officer replies, "you weren't speeding, but you should know that driving slower than the speed limit can also be a danger to other drivers."

"Slower than the speed limit? No sir, I was doing the speed limit exactly - Twenty-two kilometres an hour!" the old woman says a bit proudly.

The Police officer, trying to contain a chuckle explains to her that 22 is the Highway Number, not the speed limit.

A bit embarrassed, the woman grins and thanks the officer for pointing out her error.

"But before I let you go, Ma'am, I have to ask...Is everyone in this car OK? These women seem awfully shaken and they haven't made a peep this whole time," the officer asks.

"Oh, they'll be all right in a minute officer. We just got off Highway 189".
