PRESIDENTS REPORT – JANUARY 2020

Well... here we are... a new year... a LEAP year... 2020. And a Happy New Year to all our members and we trust you have enjoyed the company of family and friends over the Festive Season.

Robyn and I had a great Xmas with all 11 of our family at the farm for 5 or 6 days. Much food and drink disappeared at an amazing rate however our celebration was enjoyed by all, as I hope it was with all of you.

Obviously, most of us have been more than blessed having not had the dreadful experience of being in the frontline of the bushfires that have caused so much devastation to the country. Robyn and I have had an amazing number of emails from friends around the world concerned about what has been happening here in Australia.

To those members and their families that have been affected by the fires I would like to say that if there is anything that the Club can do to provide support we will do whatever we can to assist.

The activities of the Club since our last "Accelerations" have included two highly successful events. Our Display Day and Christmas lunch at "Edible Garden Cafe" in Wollongbar I believe exceeded all expectations and great thanks to Barb Hodgson for the foresight in making the necessary last minute change from House with No Steps.

Congratulations to all the winners on the day which are detailed here in the Magazine.

We are off to a flying start in 2020 and let's hope it continues. Our coffee run to the Lighthouse Cafe on Wednesday January 8th saw an unprecedented attendance of 50 people, what a fantastic way to start the year. The camaraderie was obvious and great to see.

Speaking of flying starts many of us went off to Evans Head for the "Fly In" on Sunday January 12th. The weather forecast suggested rain, however while it was overcast, windy and cool there was no rain up until 11.00am when most of us packed up and left, not the least because there were virtually no planes there and certainly none flying. A disappointing morning, particularly I imagine, for the organisers.

Our next meeting on February 5th is of course our Annual General Meeting and the most important of the year so I sincerely hope that as many of you as possible will be in attendance. Look forward to seeing you there and to another successful year ahead for our Club.

Historic and Classic Vehicle Log Book

Transport for NSW recently conducted a review of the Log Book Trial, operating under the Historic and Classic Vehicle Schemes. As part of the Trial, Transport for NSW received feedback from a broad range of stakeholders to evaluate the effectiveness of the program.

From 1 October 2019, the Log Book will become a permanent feature of the Historic and Classic Vehicle Schemes. Transport for NSW will deliver a number of improvements to the schemes over the next 12 months based on the feedback received during the review.

Existing requirements introduced during the Trial will continue to apply to participants, including:

- Vehicles registered under the Historic and Classic Vehicle Schemes can be operated for 60 days of general road use each year, outside of club organised events.
- Each day of general use must be recorded in a Log Book issued at Service NSW branches.
- Owners wishing to opt into the Log Book program should be a member of a Transport for NSW recognised Classic or Historic Vehicle Club, or Approved Organisation participating in the Log Book program.

Information and updates to the Log Book program and proposed improvements will be communicated to Historic and Classic Vehicle Clubs and Approved Organisations in writing in the coming weeks.

Please ensure Transport for NSW has up-to-date club contact details, including a valid email address, so we can inform you of upcoming changes to the Log Book.

If you have any questions related to the Log Book program, please email us at: IndustryEngagement@rms.nsw.gov.au.

SOCIAL VISIT, MORNING TEA & CAR DISPLAY

MARANOVA, ALSTONVILLE—THURSDAY 5th DECEMBER 2019

A good group of Members arrived in their lovely cars, and we parked outside Maranova (Baptistcare) 15 The Avenue, Alstonville. Lively conversation ensued, before we enjoyed morning tea and more socialising. We ended our visit with a drive by and wave to the residents. A good morning and much appreciated by the residents.

STANDARD OF EXCELLENCE & CHRISTMAS PARTY—SUNDAY 8th DECEMBER 2019

A wonderful variety of cars of all types arrived at The Edible Garden, Wollongbar for this annual event. Shady trees provided a delightful venue for morning tea and conversation, while cars were admired and choices made.

Lunch was served in a nice airy building, and comprised delicious platters of salads and meats brought to each table, and there was plenty for everyone. Dessert and coffee followed.

Presentations included Jeff Johnston as Club Member of the Year, Ron Nowlan “Most Desirable Vehicle” for his restored Mini, and Life Members received their badges.

Beautiful raffle prizes included many lovely items made and generously donated by Members—we have many and varied skills within this Club.

The staff were attentive and this venue was excellent—thank you Barb Hodgson for organising another successful and enjoyable event.

COFFEE RUN TO CROWLEY VILLAGE, BALLINA—WEDNESDAY 11th DECEMBER 2019

There was a great roll up being the last run of the decade before we hit the roaring 2020's. The morning was fine warm and smoke level index below recent averages.

Leaving the Sports club we travelled Rous Rd to Cow shit corner. A dairy farm owned by the Warburton's operated here until about 15 years ago and was a daily crossing for the herd.

If you watched S.B.S. show Struggle Street this year you would have seen Barry the dairy farmer and his family, this was his family farm before he moved to the Riverina for better dairying opportunities.

We followed Ken and Shirley along Ellis Rd past the old relocated Bellowing Bull (I can still Taste those shanks) and on to the Rous cemetery before making our way down off the Plateau. Between Meerschaum Vale and Wardell we crossed what looks to be a completed section of the new highway.

Once on the highway at Wardell we were surprised to see that much of the road to Ballina is now fully operating dual carriage way.

Never having been to Crowley village I wasn't sure what to expect. The village itself was immaculate and the Cafe was at another level with all sorts of cakes and slices to satisfy all.

The cars also generated much interest with the residents with one gentleman joining in sharing his much loved car photos.

After the morning tea I understand many members kicked on to the Aussie Hotel for lunch.

Well Done Ken and Shirley for a Great Morning.

COFFEE RUN TO BALLINA —WEDNESDAY 8th JANUARY 2020

Another excellent turn out of Members (well over 40) for the drive to the Lighthouse Beach cafe at Ballina . We drove via country roads where possible, approaching along the Coast Road to enjoy the views. The cafe provided a good variety and speedy service.

We were then privileged to be given a tour of the surf club facilities, which are a credit to the volunteers who fund raise and run this well equipped facility.

SUNDAY 12th JANUARY 2020—NORTH COAST STREET MACHINES SHOW & SHINE

Apologies for no report on this event, though I believe some Club Members did attend. Not the best weather but hopefully a success nonetheless.

SUNDAY 12th JANUARY 2020 - GREAT EASTERN FLY- IN—CAR DISPLAY EVANS HEAD

About 16 Cars from our club attended the annual fly-in at Evans Head. The weather was unfortunately showery, very windy and overcast which resulted in cancellation of the flying events. Consequently a smaller than anticipated crowd was in attendance with numbers for the car show well down on previous years. The previous day had a very good crowd apparently.

The showers held off and it was very pleasing to note our club had a sound number of attendees. The car show had some highly respected and presented group of vehicles in attendance. This was appreciated by members of the public.

Only one small plane landed while we were there as the wind put paid to any air activity and most of the promised aircraft apparently never left home. One of the Museum Members advised that about 900 people went through the Museum on the Saturday and our Club was thanked for even turning up on such an inclement day. Hopefully the weekend was an overall success.

GUIDELINES FOR CONCESSIONAL REGISTRATION (CLUB PLATES)

Member must be financial. Vehicle has to be at least thirty years old.

Vehicle must be inspected by the Club Registrar at least once each year (RMS pink slip is acceptable).

Minimum insurance cover of Third Party Property Damage. Full Comprehensive is recommended, proof of cover must be provided to Registrar prior to initial registration or renewal.

RMS has introduced a 2-year Trial program to test the viability of a new category of participation.

The new program will permit the use of approved vehicles for personal purposes for 60 days in the year, in addition to attendances at authorised Club Outings.

Owners will be required to maintain a Log Book showing the date, time and departure location for each day that the vehicle is used. *(Failure to maintain an accurate and up-to-date daily record could mean severe consequences for the member and our club!)*

Eligibility of your vehicle (s) may be reconsidered if the following vehicle attendances are not met :-

One Vehicle – Must attend three Club events each year.

Two Vehicles – One vehicle must attend one Club event & the other vehicle two Club events each year.

Three or more Vehicles – Each vehicle must attend one Club event each year.

Any variation from these rules, for acceptable legitimate reasons, will require prior Club approval.

Non-compliance can result in registration being cancelled. The Club cannot afford the risk of the system being abused and the subsequent loss of the benefits of these worthwhile concessions for other Club members.
