Historic and Classic Vehicle Log Book

Transport for NSW recently conducted a review of the Log Book Trial, operating under the Historic and Classic Vehicle Schemes. As part of the Trial, Transport for NSW received feedback from a broad range of stakeholders to evaluate the effectiveness of the program.

From 1 October 2019, the Log Book will become a permanent feature of the Historic and Classic Vehicle Schemes. Transport for NSW will deliver a number of improvements to the schemes over the next 12 months based on the feedback received during the review.

Existing requirements introduced during the Trial will continue to apply to participants, including:

- **Vehicles registered under the Historic and Classic Vehicle Schemes can be operated for 60 days of general road use each year, outside of club organised events.**
- **Each day of general use must be recorded in a Log Book issued at Service NSW branches.**
- **Owners wishing to opt into the Log Book program should be a member of a Transport for NSW recognised Classic or Historic Vehicle Club, or Approved Organisation participating in the Log Book program.**

Information and updates to the Log Book program and proposed improvements will be communicated to Historic and Classic Vehicle Clubs and Approved Organisations in writing in the coming weeks.

Please ensure Transport for NSW has up-to-date club contact details, including a valid email address, so we can inform you of upcoming changes to the Log Book.

If you have any questions related to the Log Book program, please email us at: IndustryEngagement@rms.nsw.gov.au.

Presidents Report – March 2020

Firstly, I would really like to thank all those members present at our Annual General Meeting on February 5th for entrusting the management of the Club for the next 12 months, to the hands of those who managed it for the past 12 months (this year with the addition of Winton Brocklebank to the events committee)!

Many thanks and it is an honour and a pleasure to continue for another year as your President.

We have more great events lined up and these will become apparent as we progress through the year, however, notable will be the 2 weekends away we have planned, the first to Toowoomba in June and the second to Stanthorpe in October, so look out for details of these.

Speaking of events, we have had two recently which, despite the inclement weather, have not deterred members from attending, firstly, the excellent coffee run to the Macadamia Castle and on Sunday 16th February the luncheon run to the Brunswick Heads Hotel via a coffee stop at Flockes cafe in Mullumbimby.

Showery day for the former, hot and humid for the latter but at both events the usual jokes, chatter and general camaraderie.

Great to see some fresh faces and would really like to see some more in the coming months, so if you are new (ish) to the Club please don't be reticent in joining us for the monthly outings as you will be made to feel welcome as we really are a very sociable Club AND NOT just a conduit through which people can obtain Concessional Registration for their vehicle(s).

On a more serious note, we still have a number of Members who have not yet paid their fees for the current year. If you are one of these AND have vehicles on Concessional Registration, your vehicles are, in effect NOT REGISTERED and the consequences for you as owner and potentially for the Club are serious.

In either case, if you do not pay your fees before the date of the next Club meeting on March 1st we can only assume that you do not wish to continue with your membership of the Club.

Safe motoring, David H

COFFEE OUTING MACADAMIA CASTLE 12/02/20

An enthusiastic group left Goonellabah to enjoy a picturesque tour along the ridges through Clunes, Eureka Federal & Bangalow to our coffee venue despite the showers. The improvement of the countryside in such a short time was remarkable.

Alan & Lucky Howard arrived at Knockrow in a 'spare' vehicle after a wiper mishap on their first attempt. Obviously the lack of use over the dry period contributed.

Everyone enjoyed sweets and coffee and again a good time was had by all.

RECENT OUTING MULLUMBIMBY & BRUNSWICK HEADS 16/02/20

A good rollup of members and cars met at Lismore for our Sunday run.

After the recent heavy rains in the area it was a beautiful day. A light shower at morning tea but otherwise was ideal.

Members enjoyed the improved green conditions on our run to Mullumbimby where we enjoyed lovely coffee and cake at Flock. From here we continued our convoy to lunch at Brunswick Hotel which was very relaxed and enjoyable.

Jeff

A contribution from an anonymous Member.

A Utility, 2 Porches and 6 Club Members set out to drive to Bathurst for a few days, to enjoy the Bathurst 12 hour race.

A good time was had by all, but as they say “what happens in Bathurst, stays in Bathurst” However, we hear that on the Friday afternoon, 2 Porches went through a Police check, without being pulled over, but the Ute was pulled over and the driver breathalysed. Random or stereotyping? At least the Ute driver can park within the lines!
