## **PRESIDENTS REPORT – APRIL 2020**

This month's Report is rather shorter than usual for obvious reasons. The coffee run to Newrybar was well attended, albeit a little later for George and Marg Jensen as they suffered a flat tyre on the drive from Lismore.

Following my advice to Members regarding Covid-19 and the potential impact on people who tend to suffer from respiratory conditions, the attendance on the Sunday run to Mount Tamborine and Canungra was somewhat below the usual.

On the subject of the Virus, the Committee has discussed the current and potentially serious ongoing situation and how it might affect Club activities and have decided as follows.

**Our meeting scheduled to be held at the Lismore Workers Club on April 1<sup>st</sup> is CANCELLED** (this is NOT an April Fools joke!).

The planned weekend away to Toowoomba scheduled for June is POSTPONED.

Any decision to cancel Club outings such as coffee runs and weekend luncheon runs will be decided close to the date of each and advised by email, however at present we expect events to go on, subject to the advice provided previously, that is, participants must make a decision to attend based upon their own health circumstances.

Keep safe and healthy, David H.

## Historic and Classic Vehicle Log Book

Transport for NSW recently conducted a review of the Log Book Trial, operating under the Historic and Classic Vehicle Schemes. As part of the Trial, Transport for NSW received feedback from a broad range of stakeholders to evaluate the effectiveness of the program.

From 1 October 2019, the Log Book will become a permanent feature of the Historic and Classic Vehicle Schemes. Transport for NSW will deliver a number of improvements to the schemes over the next 12 months based on the feedback received during the review.

Existing requirements introduced during the Trial will continue to apply to participants, including:

- Vehicles registered under the Historic and Classic Vehicle Schemes can be operated for 60 days of general road use each year, outside of club organised events.
- Each day of general use must be recorded in a Log Book issued at Service NSW branches.
- Owners wishing to opt into the Log Book program should be a member of a Transport for NSW recognised Classic or Historic Vehicle Club, or Approved Organisation participating in the Log Book program.

Information and updates to the Log Book program and proposed improvements will be communicated to Historic and Classic Vehicle Clubs and Approved Organisations in writing in the coming weeks.

Please ensure Transport for NSW has up-to-date club contact details, including a valid email address, so we can inform you of upcoming changes to the Log Book.

If you have any questions related to the Log Book program, please email us at: [IndustryEngagement@rms.nsw.gov.au](mailto:IndustryEngagement@rms.nsw.gov.au).

**COFFEE RUN TO NEWRYBAR — WEDNESDAY 11th MARCH 2020**

Club members enjoyed a scenic drive through the countryside on our recent coffee run. Firstly through McLeans Ridges then onto Pearces Creek, Fernleigh, Brooklet and then to our venue at Newrybar.

Members spread out at the coffee venue and afterwards enjoyed the rustic charm of local village shops.

Jeff

**SUNDAY RUN TO MT TAMBOURINE—15th MARCH 2020**

The Gold Coast Hinterland outing started out a drizzly bleak day as we left home, but Saturdays beautiful weather was still working north of Byron Bay.

We had a very pleasant non interrupted drive to Eagle Heights Hotel where the Rover Club members had already arrived and were enjoying Breakfast. We enjoyed good Coffee and excellent views of the hinterland and Gold Coast.

Some Riley cars and a two door Riley (never seen before) were in the Car Park and various other locations.

Onto Tamborine where we had over an hour to wander the many shops. Very interesting, but the level of interest depended on your gender.

Then onto the Canungra intoxicorium for a nice lunch accompanied by a gentleman with a good voice. Nineteen lucky members had a most enjoyable outing.

Thanks Jeff and Sue for a well organised club Run. (bettered by very few)

Ken and Shirley
