GUIDELINES FOR CONCESSIONAL REGISTRATION (CLUB PLATES)

Member must be financial. Vehicle has to be at least thirty years old.

Vehicle must be inspected by the Club Registrar at least once each year (RMS pink slip is acceptable).

Minimum insurance cover of Third Party Property Damage. Full Comprehensive is recommended, proof of cover must be provided to Registrar prior to initial registration or renewal.

RMS has introduced a new program that will permit the use of approved vehicles for personal purposes for 60 days in the year, in addition to attendances at authorised Club Outings.

Owners will be required to maintain a Log Book showing the date, time and departure location for each day that the vehicle is used. *(Failure to maintain an accurate and up-to-date daily record could mean severe consequences for the member and our club!)*

Eligibility of your vehicle (s) may be reconsidered if the following vehicle attendances are not met :-

One Vehicle – Must attend three Club events each year.

Two Vehicles – One vehicle must attend one Club event & the other vehicle two Club events each year.

Three or more Vehicles – Each vehicle must attend one Club event each year.

Any variation from these rules, for acceptable legitimate reasons, will require prior Club approval.

Non-compliance can result in registration being cancelled. The Club cannot afford the risk of the system being abused and the subsequent loss of the benefits of these worthwhile concessions for other Club members.

REGISTRAR - Jason Crimmins 0423 042 271

CONCESSIONAL REGISTRATION DURING COVID19 RESTRICTIONS

Vehicles on Club Concessional Registration may now be used in accordance with the RMS Log Book conditions. That is, they may be used for 60 days each year outside of any Club events.

Remember that you must complete your Log Book BEFORE you use your vehicle.

As it remains difficult liaising with the Club Registrar we continue to suggest that if you need to contact the Registrar you can telephone him on:

0423 042 071

or send your completed form with a stamped return address envelope to:

Jason Crimmins, Lot 105 Jersey Drive, North Casino NSW 2470

We will address attendance requirements at Club events in future editions of Accelerations.

PRESIDENTS REPORT – AUGUST 2020

Well the Covid19 restrictions were relaxed for a while. During which time we managed to get in two events. The first being a coffee run to the Evans Head Surf Club.

The event was very well attended and the morning commenced in bright sunshine, albeit on the cool side, at Goonellabah. The drive was interesting and again on some roads we had not been on before. However despite the positive weather forecast predicted by KB, by the time we arrived at Evans Head it was bucketing down and it did not stop! Inside the cosy clubhouse however a convivial time was had by all.

Unfortunately due to some personal commitments we were not able to attend the Xmas in July function organised by Heather Sidney. This event is reported on elsewhere in the Magazine.

Regrettably, as you will all be aware by now, the NSW Government has reintroduced the stricter regulations that existed prior to July 10th. This means that once again we have to suspend our events and meetings until the size of gatherings of our sort are again permitted.

Our meeting scheduled for August 5th is therefore cancelled.

Keep well and keep smiling, David H

IMPORTANT NOTICE—EVENTS CANCELLED

As advised by President David above, our meeting on Wednesday 5th August has been cancelled and we have had to cancel all planned Events for the foreseeable future. This includes the scheduled Car Show at the Lismore PCYC which was to be held on Sunday 20th September. Stay safe everyone.

COFFEE RUN TO EVANS HEAD—Wednesday 8th JULY 2020

A good sized group of members met at Goonellabah on Wednesday morning and we drove to Evans Head via Tuckurimba, Coraki and Woodburn. Unfortunately the rain caught up with us as we neared the coast.

We were very grateful to be given the large upstairs area at the Sandbar Restaurant at the Evans Head Surf Club, so social distancing was not an issue. Excellent service and delicious coffees and cakes etc. An enjoyable outing.

## SUNDAY RUN TO BALLINA—19th JULY 2020

Some Members met in Lismore and a few joined them at the morning tea venue in Ballina, where we visited the collection of vehicles and memorabilia owned by Barry Blanch. A very interesting array and plenty of room to view them safely.

Some members then travelled to the Ballina RSL for an enjoyable lunch in the large Auditorium.

A great day—thank you Heather Sidney for arranging this with very limited notice.

## 12 Commandments for Seniors

**#1 - Talk to yourself. There are times you need expert advice.**

**#2 - "In Style" are the clothes that still fit.**

**#3 - You don't need anger management. You need people to stop pissing you off.**

**#4 - Your people skills are just fine. It's your tolerance for idiots that needs work.**

**#5 - The biggest lie you tell yourself is, "I don't need to write that down. I'll remember it."**

**#6 - "On time" is when you get there.**

**#7 - Even duct tape can't fix stupid - but it sure does muffle the sound.**

**#8 - It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller.**

**#9 - Lately, you've noticed people your age are so much older than you.**

**#10 - Growing old should have taken longer.**

**#11 - Aging has slowed you down, but it hasn't shut you up.**

**#12 - You still haven't learned to act your age and hope you never will.**

### **WHY.....**

**Why do people order double cheeseburgers, large fries, and a diet coke?**

**Why do banks leave vault doors open and then chain the pens to the counters?**

**Why do we leave cars worth thousands of dollars in our driveways and put our useless junk in the garage?**

### **EVER WONDER...**

**Why the sun lightens our hair, but darkens our skin?**

**Why can't women put on mascara with their mouth closed?**

**Why don't you ever see the headline 'Psychic Wins Lottery'?**

**Why is 'abbreviated' such a long word?**

**Why is it that doctors and attorneys call what they do 'practice'?**

**Why is lemon juice made with artificial flavouring, and dish washing liquid made with real lemons?**

**Why is the man who invests all your money called a broker?**

**Why is the time of day with the slowest traffic called rush hour?**

**Why isn't there mouse-flavoured cat food?**

**Why didn't Noah swat those two mosquitoes?**

**Why do they sterilize the needle for lethal injections?**

**You know that indestructible black box that is used on airplanes? Why don't they make the whole plane out of that stuff??**

**Why don't sheep shrink when it rains?**

**Why are they called apartments when they are all stuck together?**

## FROM ROLLS-ROYCE STAFF MAGAZINE

Sometimes it DOES take a Rocket Scientist!! (true story)..

Scientists at Rolls Royce built a gun specifically to launch dead chickens at the windshields of airliners and military jets all travelling at maximum velocity.

The idea is to simulate the frequent incidents of collisions with airborne fowl to test the strength of the windshields.

American engineers heard about the gun and were eager to test it on the Windshields of their new high speed trains.

Arrangements were made, and a gun was sent to the American engineers.

When the gun was fired, the engineers stood shocked as the chicken hurled out of the barrel, crashed into the shatterproof shield, smashed it to smithereens, blasted through the control console, snapped the engineer's back-rest in two and embedded itself in the back wall of the cabin like an arrow shot from a bow..

The horrified Yanks sent Rolls Royce the disastrous results of the experiment, along with the designs of the windshield and begged the British scientists for suggestions.

You're going to love this.....

Rolls Royce responded with a one-line memo: "Defrost the chicken."
