Morning Tea in Wade Park

7-10-2020

Wade park in East Lismore is an excellent venue with sheltered seating and tables and also, an area for children and bicycle riding, however most of us arrived with the added attraction of our vintage & veteran vehicles. BYO morning tea was the agenda and we spent the morning, (keeping our distance according to the 'COVID 19 rules') or catching up with how we are spending our

time while maintaining the current restrictions placed on us in these times.

The cars were in show room appearance which always attracts the public wherever displayed. The morning was delightful and a big Thank You once again to the Events Committee for another enjoyable outing.

Presidents Day

The day dawned fine and sunny, at 9am club members gathered at the Clyde Campbell car park to start the run for presidents day. A sheet of instructions was handed out and it was drivers start your engines and we'll see you at morning tea.

By all reports the run was very enjoyable and everyone turned up at the right place for morning tea.

The TV was on for the Bathurst car race, so many were gathered around it. Morning tea was had along with plenty of chat and a look at the view.

Bathurst started so it was time to leave on the next leg to the lunch stop.

The vehicles bumped over the great Lismore council roads through the countryside to Tullera park where lunch was to be had.

The day turned out quite hot but was enjoyed by all, the jelly bean guessing competition was won by R Hawkins with L Middleton second.

Thanks go to Garry and Trish for organising the day, the fruit cups were a hit.

Bathurst also ended well.

Vintage Motoring Club Rally - Inglewood

Leaving home early Thursday morning we drove through Lismore, Kyogle and on toward Killarney, crossing the border with no trouble. Warwick came so we stopped at the caravan park, as friends were there for a cuppa, after which we all continued on west to Inglewood.

Arriving at the caravan park early we took time to look around and then settle into our cabin. By evening there were 13 vintage cars and another 5 couples in modern vehicles to take part in the rally. Happy hour/s happened and an early dinner was had.

Friday morning cars were lined up to depart through Inglewood to view a lovely garden on the other side of the town and morning tea was had there. Then it was back to Inglewood to view the Tobacco museum. Tobacco was the main crop grown in this area in the early 20's-30's.

After lunch in the park it was off to the olive farm to see the process and taste test the fruit. Dinner was at the hotel which was a bit of a hoot. Boys in grass skirts and Hawaiian shirts, a party obviously. A lovely meal was had.

Saturday morning cars were lined up and it was off to a Lavender farm for morning tea and then to Texas. On the way we stopped at the Yelarbon Grain Corp Silos. They were painted in different themes, they looked very tidy.

Arriving in Texas we stopped at the rail museum where we had lunch and then off to the Texas Rabbit works, it was a very interesting place. Out there in the 20's-30's the rabbits were everywhere, in the millions.

After the rabbit works it was back to the park for a meeting and then out to dinner. Sunday it was packing up and travelling home. We had a great 2 days with friends and we look forward to the next rally.

Grandpa

Many, many years ago when I was twenty-three,
I got married to a widow who was pretty as could be.
This widow had a grown-up daughter who had hair of red.
My father fell in love with her, and soon the two were wed.
This made my dad my son-in-law and changed my very life.
My daughter was my mother, for she was my father's wife.

To complicate the matters worse, although it brought me joy,
I soon became the father of a bouncing baby boy.
My little baby then became a brother-in-law to dad.
And so became my uncle, though it made me very sad.

For if he was my uncle, then that also made him brother,
To the widow's grown-up daughter who, of course,
Was my stepmother.
Father's wife then had a son, who kept them on the run.
And he became my grandson, for he was my daughter's son.

My wife is now my mother's mother and it makes me blue.
Because, although she is my wife, she's my grandma too;
If my wife is my grandmother, then I am her grandchild.
And every time I think of it, it simply drives me wild.
For now I have become the strangest case you ever saw.
As the husband of my grandmother, I am my own grandpa!
